

E-Z Probe Pyrometer

E-Z Probe has many features found in more expensive pyrometers. EDL has produced an instrument that will give you quality, performance and reliability at an affordable price. The case is molded in a high impact resin, designed for rugged use and hand held comfort. A magnetic back plate allows you to attach the instrument almost anywhere. E-Z Probe even has a tempered glass display window and a tall 1/2" LCD for easy readability; also available with Lexan® display ideal for the food industry.

Ideal for General Purpose, Food Industry, Manufacturing, Utility, Gas, Pipeline and many other applications!

- Accuracy and durability at an economical price
- Input jacks at top and bottom offer complete versatility
- Magnetic backing for hands-free use
- Low battery indicator
- Open sensor indicator
- 1-year warranty
