# Nervo-Scope® Repair Form

Please complete this form and include it inside the box with your scope. Be as detailed as possible when describing the nature of your repair. Standard repair times are 10-15 business days. Repairs over \$300.00 require pre-authorization; minor repairs under \$300.00 are repaired during inspection without pre-authorization. Payment is required before return shipping.

Any property not claimed within 60 days of the date the repairs are quoted become the property of EDL. Send instruments (insured for full replacement value) well packaged to the address below. For questions, contact our Service Department at [service@edl-inc.com](mailto:service@edl-inc.com) or 434-799-0807.
